Time of Meeting: 11.30am

Venue: Dept. of Civil Engg.

S.No.	Name of the BOS member		Designation
1	Dr.B.Satyanarayana,	Prof&Head, VIIT	Chair person -BOS
2	Dr.V.Srinivasulu,	Prof&Principal, UCEV,	JNTUK nominee
3	Dr.B.V.S.Viswanadham	Prof. of Civil engg, IITB	Expert from IIT
4	Dr.S.Adishesu	Prof. of Civil engg, AU	Subject Expert
5	Mr.Ch.Vijaya Kumar	A.E.E., DPM Circle, Irrigation Dept.A.P.	Industry expert
6	Mr.B.Brahmaiah	Asst.Prof, Civil Dept., VIIT, Visakhapatnam	Member -Faculty (Transportation Engineering)
7	Ms.T.Geeta Rani	Asst.Prof, Civil Dept., VIIT, Visakhapatnam	Member -Faculty (Geotechnical Engineering)
8	Mr.K.Srinivas	Asst.Prof, Civil Dept., VIIT, Visakhapatnam	Member -Faculty (Structural Engineering)
9	Mrs. M.Leela Priyanka	Asst.Prof, Civil Dept., VIIT, Visakhapatnam	Member -Faculty (R.S.& GIS)
10	Mr.G.Sudheer Kumar	Asst.Prof, Civil Dept., VIIT, Visakhapatnam	Member -Faculty (Geotechnical Engineering)
11	Mr.Hasim Suhaib K	Asst.Prof, Civil Dept., VIIT, Visakhapatnam	Member -Faculty (Environmental Engineering)
12	Mr.D.Tharun Kumar	Infosys, Hyderabad	Alumni nominee

**Minutes of Board of Studies Meeting**

Department: Civil Engineering

Time of Meeting: 11:30am

Venue: Dept. of Civil Engg

**Agenda:**

- Course structure for II, III and IV year B.Tech Civil Engineering program for AY:2017-2018 admitted batch.

**Points Discussed:**

- Course structure of all subjects is discussed
- Total credits of all four years are discussed.
- All members are decided not to disturb the first year course structure for the academic year 2017-2018 as it is already approved by the board of studies of various departments.

**Suggestions:**

Some corrections are suggested by the BOS members to the course structure proposed in autonomy report in II-I. It is discussed about syllabus of II, III and IV year.

Basic Electrical and Electronics Engineering subject which is in II year I semester is shifted to I year II semester by the BOS of I year and hence the subject gap in II-I is filled by the following suggestions.

- Basic Electrical and Electronics Engineering is replaced by Concrete technology which is proposed in II-II
- Strength of materials lab in II-I is shifted to II-II and concrete technology lab is kept in II-I in place of strength of materials lab.
- The Concrete Technology subject which is proposed in II-II is replaced by Surveying II
- The surveying field work II is shifted to III-I in place of concrete technology lab

As per government of Andhra Pradesh guidelines, after III-II, industry oriented mini project is replaced by mini project on water resources engineering

In III-II, open elective -2(CBCS)(MOOCs) is removed keeping in view the total credits should not be more than 180.

Vignan's Institute of Information Technology(A)

Approved by AICTE Affiliated to JNTUK

**DEPARTMENT OF CIVIL ENGINEERING**

Issue No:01

Rev No: 01

Effective Date:

4. In IV-I, credits given to technical seminar are removed keeping in view the total credits should not be more than 180.
5. In IV-II, credits for project work have been reduced to 8 from 10 keeping in view the introduction of mini project on water resources engineering in or after III-II.
6. Keeping in view the credit points, the internship with 12 credits is removed.  
Total credit points suggested to be 180.

**Resolutions Made:**

Course structure of all subjects of II,III and IV year (two semesters) is finalized with total 132 credits by accepting above suggestions.
