**World Environment Day Celebrations: Plant a Sapling in your Vicinity**  
**On 5th June, 2020**

**Organised by**  
**Green Club, VIIT (A)**

**Venue:** Residential areas

**About the event:**

The Green Club of VIIT is celebrated the World Environment Day every year on 5<sup>th</sup> June to raise awareness about the need to protect the environment for the very sustenance of life on the planet Earth. With the present environmental disasters, the world is now totally dawned upon by the fact that balance of the ecosystem is the most vital element of the existence of the human race on the Earth. In a situation where the whole world is totally disturbed by the pandemic, the students and staff of VIIT were given a call by the Green club along with NSS unit for plantation of few significant plants that might include (medicinal/air purifiers/fruiting samplings) in and around their localities. One hundred and five students have actively participated in the event and have shared the photos to the event coordinator. After the plantation programme, a meeting was held using Google meet as a platform where the participants shared their views. As an opening remark of the meeting, Dr.V Madhusudhan Rao, Rector has appreciated the participants and also promised to extend his support during the pandemic, next Dr B Arundhati, Principal have shared the importance of few plants. She also gave some inputs that include herbal diet to enhance the immunity.

**A webinar on "COVID-19 & its Precautions" by Dr P Hemath Satya**

**Subhash, MBBS**

**On 19/6/2020**

**Organized by NSS Unit of VIIT**

COVID-19 is an infectious disease that has infected many people who has experienced mild to moderate respiratory illness who recovered without special treatments. However, some will become seriously ill and require medical attention. With the cases rising drastically and the fear among the people is increasing day by day.

In this regard, the team NSS has made an attempt to educate the students, staff and their families on the precautions that one is supposed to take in order to protect themselves from this virus. In this attempt we have contacted Dr P Hemath Satya Subhash, MBBS to present a session on the basic precautions that we are supposed to follow. He has accepted our request and we conducted a session through Google meet. He has mentioned the basic daily routines like drinking warm water, gargling, taking steam and having nutritious food. He also mentioned the conditions on when to reach a hospital. He has also urged the participants to take special care has to be taken by older people and those with underlying medical conditions like diabetes, cardiovascular disease, diabetes, chronic respiratory disorders, or cancer as they might be more prone to develop serious illness. The best way to prevent or slow down transmission is by have basic knowledge and analysis our body on daily basis. He has concluded by "Protect yourself and others from infection by staying at least 1 metre apart from others, wearing a properly fitted mask, and washing your hands or using an alcohol-based rub frequently. It is important to practice respiratory etiquette, for example by coughing into a flexed elbow, and to stay home and self-isolate until you recover if you feel unwell."

Seventy five student participants along with their family and the NSS team have thanked Dr Subhash for being a helping hand to encourage the participants to get vaccinated as a precautionary measure. Dr B Arundathi, Principal VIIT has appreciated the efforts of the NSS team and thanked Dr Subhash for taking his time for the second time to educate the participants through this session.

**CIRCULAR**

To celebrate International Yoga Day, we, with this information, all the faculty and students are suggested to attend an online session for the Yoga practice under the activity of "Yoga- the best way to health and fitness "on 21<sup>st</sup> June from 7 AM onwards. Due to Covid-19 norms, we planned the program online this time and requested the faculty and students join the session and practice. Yoga will get rid of the anxiety and depression that prevail in this current scenario.

**A Program on "Yoga for Life" to Students and their Parents**  
**on 21<sup>st</sup> June, 2020**

**Organized by Department of BS&H along with NSS Team of VIIT**

The 6<sup>th</sup> International Yoga Day was conducted on 21/6/2020 through Zoom platform by the Department of BS&H along with NSS, where in about 50 students have participated. Yoga can be taken as a tool to equip ourselves with the basic knowledge related to our personality and thereby help us to handle oneself well in critical life situations. It also helps us to gain good health, stable mind which would help us to be capable to distinguish between real and fake world. The course of Yoga for the student should be well formulated in terms of contents, aptness and graded so that what is learnt earlier works hand in glove with what follows.

So as a part of International Yoga Day, Mrs Anitha, Yoga instructor has taken up an online session on 21/6/2020 for students and staff of VIIT. In this session she focused on simple breathing asanas that are very much essential during the pandemic. The session was made use of by about 50 students along with their parents.

The event concluded by the thanks giving remarks by the Dr T Satya Guru, HoD BS&H.

## CIRCULAR

It is to inform all the faculty members and students that an online session on Basic First Aid"- A Life Saver to Parents' Community with Dr. O Anil Kumar, MBBS, is scheduled on 20<sup>th</sup> September from 7 PM onwards. The basic knowledge of First Aid to people in need is essential to save the life. Before rushing to the hospital, the session will provide a few emergency management techniques. I request to participate in the session and get the knowledge on it.

**A Session on "Basic First Aid"- A Life Saver to Parents" community**

**On 20<sup>th</sup> September, 2020**

**Organized by NSS unit of VIIT**

First aid is mentioned to be the first and immediate assistance given to any person with either a minor or serious illness or injury, with care provided to preserve life, prevent the condition from worsening, or to promote recovery.

The NSS unit of VIIT has conducted a webinar on "Basic First Aid - A Life Saver" Dr O Anil Kumar, MBBS. He has accepted the request on friendly terms and educated the participants on how to be pro active while giving first aid in order to save someone who is suffering with sort of illness. He has given few guidelines through his presentation on how to save the lives of people before taking them to hospital. He has included the basic first aid for wounds – like minor cuts; burns; how to stop bleeding; how to remove bee stings. Keeping to the point, that the participants are common people Dr Anil Kumar, made the presentation in a way that it would be easier for them to understand and implement.

The session was made use by about 85 students along with their family members. Dr B Arundathi, Principal VIIT has appreciated the efforts of the NSS team and thanked Dr O Anil Kumar for taking his time to educate the participants through this session. This can definitely help in giving a minded thought of helping a person to survive the fatality. This grasped the attention of all the staff and audience and was much appreciated.

### **About the event:**

In order to educate the importance of preparation of seed balls and seed preservation, the Green Club organized this event. On 14<sup>th</sup> October from 10:00 AM to 12:00 PM, the CSE department hosted this event. The Green Club coordinator has given a call to the students to prepare seed balls and the students have actively participated in the event. This event was supported by Green Club coordinator Dr. K. Sirisha. This event explains the importance of seed balls in depth, including what they are, how to prepare them, how they germinate, what they are used for, and some interesting facts about them. Totally 50 students were participated in this event.

## CIRCULAR

An online session is planned to I BTECH students on Indian Constitution and its core values to observe Constitution Day on 26<sup>th</sup> November. In this regard, we instruct the HoD to motivate the students to join the session. The program aims to educate the students on the Constitution's preamble, fundamental rights, duties, and basic structure. The instructor is Dr. Kranthi Kumar Gangu. The online link will be shared one hour before the inception of the session.

**A session on the relevance of 'Samvidhan Divas' to Vizag Steel City School Children**  
**On 26<sup>th</sup> November 2020,**

**Organized by the Department of BSH along with NSS Unit of VIIT**

India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Government of India, in 2015 decided to observe 26<sup>th</sup> November as 'Constitution Day' or 'Samvidhan Divas'.

A webinar was conducted by the Department of BS&H along with NSS on the occasion of "Constitutional values" and was organized between 10 am to 11 am. The webinar focused on cherishing the glory and reaffirming our commitment to uphold the ideology of the great Indian constitution. Dr K Kranthi Kumar, Associate Professor, Department of BS&H, shared his expertise on the subject. He emphasized on the significant features of our Constitution and reminded the people who contributed to the development of the Indian constitution. He then made the student acknowledge the meaning of our Preamble. The session was conducted using ZOOM as a platform where 76 students have participated.

## CIRCULAR

It is to inform all the students that a session on "Anemia-Free Future – Mission Health" is scheduled on 26<sup>th</sup> November online from 7 PM with Dr. K. Mrudula Devi. It aims to educate the health hazards with low Hb levels. The program is designed to bring awareness to improving Hb levels and the impact of food habits on it. It is mandatory to participate in the session; in this way, the faculty members support and educate the students to participate.

## Anemia-Free Future – Mission Health On 26<sup>th</sup> November 2020, Organized by the WPEC team along with NSS Unit of VIIT

Anemia is a condition wherein a person has lower than the normal number of red blood cells, generally referred as low Hemoglobin. This condition will reduce the oxygen carrying capacity of blood and this can be the root cause for many health issues.

As per research, it was found that women are more prone to anemia than men. This can be due to various reasons and this can be sorted out in the early stages with proper diet. Keeping the health of our future women in good shape is the need of the hour. Thus in this regard, the WPEC team along with NSS has organized a session on “Anemia Free Future – Mission Health” to bring in awareness among girl students to protect themselves from Anemia.

The session was headed by Women Protection and Empowerment Cell Coordinator Dr Mrudula Devi, where she educated the students on a healthy diet during regular as well as menstrual days that would actually help them maintain their Hb levels at optimal levels. She has mentioned the importance of consuming fruits and nuts to maintain good Hb levels and keep other health issues at bay. She has also addressed the discomforts that most of the girls undergo during their periods. She was supported by the other lady faculty of BS&H. After a presentation on Dos and Don'ts by the speaker, the session was left open for the students to open up on their issues. The session was open for about 150 students.

**“A workshop on Paper Pens making to school children**

**On 28<sup>th</sup> November, 2020**

**Organised by**

**Green Club, VIIT (A)**

**Venue: Virtual Mode**

**About The Event:**

The workshop explores with the advent of cheap, disposable pens, new lifestyles (in fact lifeless styles) were formed that indulged us into this plastic menace. Society has been using these disposable plastic pens for over 50 years now. Yet, there is minimal awareness of the pollution caused by these small disposable items. The present generation have become so habituated to utilize one-time use pens (use and throw pens) and at times, we find people using refillable plastic pens, in the same manner as use and throw. All we utilize is the ink inside the pen, and then its disposed. Of course, there is no such thing as ‘away’. Utilization of these disposable plastic pens is ultimately portraying “a throw-away society”. The pen may be mightier than the sword, but at least the sword can be recycled. Even if someone wishes to purchase one, refills are not widely available, and it’s difficult to find exactly the right type and size for each pen. In this regard, Green club along with NSS team has conducted an awareness programme on the usage of paper pens. Dr K Sirisha, Green Club coordinator has made the students aware of menace caused by use and throws pens and also instructed the students how to prepare paper pens through an online session for about 18 students of VIIT along with 30 school children of Steel City Public School have participated. The students have actively involved themselves in preparing these paper pens and they even started using them.

**An Awareness Session on  
"Composting-Nurture the Soil Naturally"**

**On 5<sup>th</sup> December, 2020**

**Organised by  
Green Club, VIIT (A)**

**Venue: Virtual Mode**

**About The Event:**

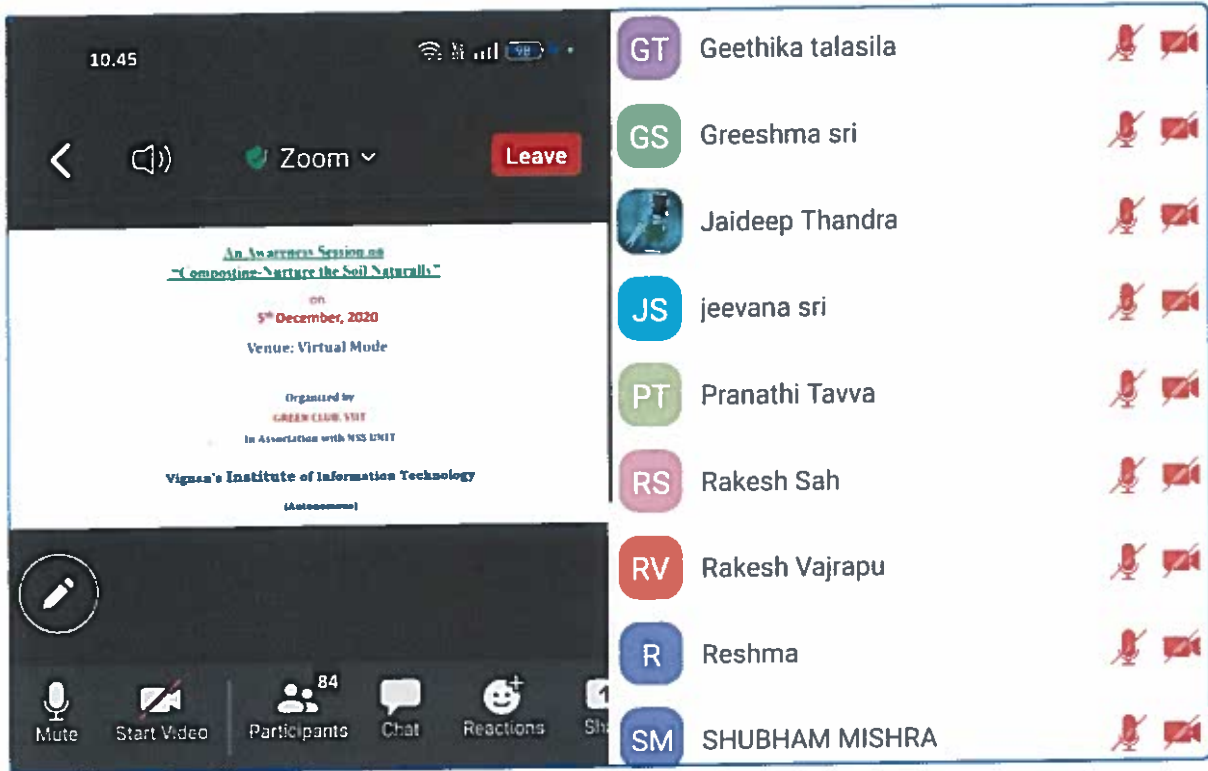

Every year 5<sup>th</sup> December is celebrated as the World Soil Day to raise awareness and focus on the importance of healthy soil. Composting is a way of nurturing the soil naturally and this is the need of the hour. The theme of this year is "Keep Soil Alive, Protect Soil Biodiversity". With this theme as an agenda, the Greenclub along with ECE department have initiated a lecture on "Composting a healthy way to dispose your kitchen waste". The lecture was conducted on 05-12-2020 through virtual mode in the morning session and a total of 84 students participated in this event.

## CIRCULAR

It is to inform all faculty members and students that a session is planned about using Generic Medicine on 3<sup>rd</sup> April 2021 at AKCNB Hall. Mrs. Shanthi Dadi, a renowned pharmacist, will deliver the lecture. It is to instruct all faculty and students to gather in the seminar hall and interact with the guest to nullify the myths about generic medicine.

## Generic medicine awareness program to nearby villagers On 3<sup>rd</sup> April, 2021 Organized by the NSS Unit of VIIT

An awareness program on generic medicine was jointly organised on behalf of NSS Vignan's VIIT at Abdul Kalam Center for Nation Building at 9:15 AM to 11:00 AM on 3<sup>rd</sup> April 2021. The special guest of event is Mrs. Shanthi Dadi (M.Pharm). Dr.K. Murali Krishna, NSS Programme Officer, Professor and HoD of ECE department. Dr. P. Sekhar, HoD of EEE department has started the session with the opening remarks on the event. Nearly 316 students of ECE and EEE students participated in the event.

The special guest of the event Shanthi Dadi has given a speech regarding the manufacturing Process of medicine, the dosage, clinical studies and myths related to generic medicines. She mentioned few valuable medication procedures, diet, reactions of harmful dosages and drugs. She also guided the students for mental health and professional development.

Dr. K. Murali Krishna, NSS Programme Officer, Professor & HOD of ECE, Vignan's Institute of Information Technology addressed the gathering, thanked the special guest for sharing valuable information, explained some examples and advised students to have healthy diet.

Felicitation was done to the special guest by Programme Officer, EEE HOD and the faculty members along with few students.

## CIRCULAR

It is to inform all the faculty and students that an online session is scheduled for 28th April 2021. Dr. P Hemanth Satya Subhash, MBBS, will deliver the lecture on the relevance of immunization. In the present scenario, most people are afraid to take the COVID-19 vaccine, but vaccination is only the way to fight infectious diseases. Hence, this lecture helps educate the student community, and with them, surrounding people would benefit from getting knowledge on vaccination.

**On 28<sup>th</sup> April, 2021**  
**Organized by NSS unit of VIIT**

Immunization saves millions of lives and is widely recognized as one of the worlds most successful and cost-effective health interventions. The NSS team of VIIT has requested Dr P Hemanth Satya Subhash, MBBS to give a webinar on the importance of immunization to combat this pandemic. This event explains the importance of the COVID 19 vaccine which helps the immune system counter infections faster in a more effective manner. He has explained the need to get immunized and also answered the questions asked by the participants. There were many apprehensions about COVID 19 vaccine that were circulated during that period and these were put forward by the participants. Dr Subhash has patiently clarified the queries. In simple terms he has concluded by saying "Get vaccinated, let your immunity spark the immune response. thus help your body to fight off and remember the virus so that it can attack it in the event of a future invasions.

Eighty students participants along with their family have attended the session . The participants and the NSS team have thanked Dr Subhash for being a helping hand to encourage the participants to get vaccinated as a precautionary measure. Dr B Arundathi, Principal VIIT has appreciated the efforts of the NSS team and thanked Dr P Subhash for taking his time to educate the participants through this session.

## CIRCULAR

It is to inform all the faculty and students that an online session is scheduled for 20th May 2021. Dr. O Anil Kumar, MBBS, will deliver the "Understanding the Basic Trends of COVID-19 Transmission". In the present scenario, most people are afraid to tackle COVID-19 transmission. Still, a few possible techniques, like social distancing and wearing a mask, are only the way to fight infectious diseases. Hence, this lecture helps educate the student community, and with them, surrounding people would benefit from getting knowledge on controlling the spreading of the disease.

**Organized by NSS unit of VIIT**

COVID -19 has taken its worst shape and is taking lives of people in no time. The transmission and fatality rate has drastically increased. At this juncture, the NSS team of VIIT has requested Dr O Anil Kumar, MBBS to give a webinar related to the modes of transmission. He has accepted our request and took a session on elaborating the different possible modes and trends of its transmission from person to person.

Though this session Dr Anil Kumar made an appeal to the participants to be very cautious while going out to bring their essentials. He has clearly explained the modes of transmission and also mentioned about simple and effective ways to combat. He has also mentioned about the basic immunization that would people from not going to the worst situations. At last there was a session of clearing the queries, where in the staff and students had a chance to express their questions. Dr Anil Kumar has clarified the queries patiently.

Ninety two student participants and the NSS team have thanked Dr O Anil Kumar for being a helping hand to encourage the participants to get vaccinated as a precautionary measure. Dr B Arundathi, Principal VIIT has appreciated the efforts of the NSS team and thanked Dr O Anil Kumar for taking his time for the second time to educate the participants through this session.

## A Program on "Yoga-the best way to health and fitness"

On 19<sup>th</sup> - 21<sup>st</sup> June, 2021

Organized by NSS Unit of VIIT

Vignan's Institute of Information technology (Duvvada), celebrated International Day of Yoga Online for three days. The institute organized a high reaching Yoga demonstration programme for the staff and students. Prior to International Day of Yoga, classes were conducted for three days which were inaugurated on 19<sup>th</sup> June 202 and concluded with International Day of Yoga on 21<sup>st</sup> June 2020.

### Day 1: 19/6/2021.

On this day morning at 7:00 AM, NSS Coordinator, VIIT, Dr. K. Murali Krishna welcomes the Dr V Madhusudhan Rao, Rector, Dr B Arundathi, Principal, Dr K Madhusudhana Rao, Vic- Principal, Mr Srikanth, Executive Director, and other teaching and non-teaching staff and student participants for the Three Day International Yoga Day celebrations. Yoga sessions started thorough online by great yoga trainer K. Anitha Devi.

Session started with great speech on Origin and Importance of YOGA from our respected Vice Principal, Dr. K. Madhusudhan Rao and speech on uses of YOGA from Anitha Devi. After the speech, Vignan faculty, staff and students learned and performed the yoga aasanas under the guidance of a yoga trainer.

### Photo Gallery:

Day 1:

Photos: Mrs Anitha, Yoga Instructor Teaching Yoga asanas to the participants

**Day 2. 20/06/2021.**

On this day trainer ANITHA DEVI said many important facts about yoga such that useful for back pains, heart problems, and gastric pains. She also emphasised on the uses of yoga in this pandemic situation. Later she started yoga asanam to perform with us by our students, faculty and staff members.

Aasanas performed on that day was.

- 1)Badhdhakonasana 2)Paschimottanasana 3)Savasana 4)Kumbhakosasana

**Day 3. 21/06/2021.**

On this day Rector, Dr.V.Madhusudhan Rao and Principal Dr.B.Arundhati participated in yoga session. Rector describes the importance of yoga and shared his own life examples that how he was very healthy in old age through regular practice of yoga. He stressed on making yoga as part of curriculum and finally he thanked Mrs. Anitha devi.

The session ended with a Vote of Thanks by the NSS PO.

## CIRCULAR

Disha App, a women's savior, was introduced by the Govt. AP to protect women when they are in hurdle situations. The download of the App and its usage is essential to students, particularly for girls students. The "Disha App mass awareness program for girl students in adopted villages" is scheduled for 28-30<sup>th</sup> June 2021. I instruct all girls' students to participate in the event and propagate the App to all other surrounding girls at your places.

**Disha app- mass awareness programme to girl students in the nearby villages**  
**On 28<sup>th</sup> -30<sup>th</sup> June, 2021**  
**Organized by Women Empowerment Cell of VIIT along with NSS Unit of VIIT**

Disha App is designed to protect women from any danger while they travel alone or feel unsafe in any situation. The app is an initiative by the state government concerning Disha's rape case in 2019. This app aims to alert the police of any assault acted against women. To make mass awareness of this app, with the support of the Department of Basic Sciences and Humanities, the Women Empowerment Cell of VIIT along with NSS unit has organized Three Days Awareness session about the 'Disha' App for girls students in the nearby villages intimated to join during the period from 28<sup>th</sup> June 2021 to 30<sup>th</sup> June 2021. The student volunteers have intimated the women and girls in their nearby villages to join the session through social media. Due to COVID 19 precautions, it was organized through Virtual mode. The institute invited Shri BEGALA SYAMALA, Sub Inspector of Police, Gajuwaka as a speaker. She is a speaker and actively promotes Dish App in this region.

**The Program focused on:**

- To create an awareness about the importance of Dish App [An initiative of Govt. of Andhra Pradesh, India].
- To educate the girl's safety in the present society by using Disha App.

**Program scheduled at:**

Date	Time	Session By
28-06-2021	4.30 -5.30PM	D.SHYAMALA S.I
29-06-2021	4.30 -5.30 PM	D.SHYAMALA S.I
30-06-2021	4.30-5.30 PM	D.SHYAMALA S.I

**DAY 1:** Our esteemed speaker started the session by introducing self-defense techniques to all the girls and women of VIIT. She has also emphasized the importance of physical fitness in one's life. The main motive of this session was to ensure that every girl knew the basic self-defense techniques at the time of their needs. It would ensure that they were safe in all conditions.

VIGNAN'S INSTITUTE OF  
Information Technology (A)  
Beside VSEZ, Duvada, Vadlapudi Post, Gajuwaka, Visakhapatnam - 530 049.

**DAY 2:** The importance and relevance of any topic can only be understood when live examples are explained. Our speaker shared her experiences of various crimes and how one can avoid them in the session. It was very impactful and helpful to our girl students. Also, she has emphasized the importance of having general knowledge and awareness about the events surrounding us as they shed the absolute truth about society.

**DAY 3:** Disha app was explained in a very effective way by our speaker. The importance of having this app is conveyed very well. The relevance of having this app in these grueling times is emphasized in the session. We made sure that all the girls and women installed the app, and our speaker explained the interface and options very effectively.

## A Program on fundamental tips of Maths & English to ZPH School, Garividi

On 20<sup>th</sup> November, 2021

Organized by NSS unit of VIIT

Education plays a significant role in shaping the future of our nation. In this scenario, English and maths skills are essential building blocks for any career and play an important role in helping people find and sustain employment. Success in these subjects is linked to better life chances, more extraordinary achievement, and boosting your confidence.

Taking this into account, the Department of EEE, along with the NSS unit, has initiated a session on teaching the Maths tricks and some essential communication tips to high school students of ZPH School, Garividi. Ten students of EEE have participated in the event, and they have done a great job. The 40 students of the school have benefitted from the session. The management has appreciated the efforts of the students of VIIT.

Dr. V Madhusudhan Rao, Rector-VIIT, Dr. B Arundathi, Principal- VIIT, and the management appreciated the EEE department's efforts and thanked the students for taking their time to educate the participants through this event.

## CIRCULAR

It is to inform all faculty members the NSS team has planned to organize the program on "Goal Setting and Positive Attitude to Juveniles." on 18<sup>th</sup> November 2021. The agenda aims to educate the young people in the school to set their goals properly. Most students at the school level need help to understand the possible routes to reach their aspirations. This program enables them to clarify their doubts to some extent and build up their career well.

As a part of the Children's Day and Child Life Convention Week, the Superintendent of Government Special Home for Girls, Department of Juvenile Welfare Correctional Services and Welfare of Street Children, Visakhapatnam, in association with Vignans Institute of Information Technology (Autonomous) and JCI Gajuwaka Gems (NGO) conducted a motivational program on "Goal Setting and Positive Attitude." Dr. K.G.B. Santhosh Kumari, Assoc. Professor, VIIT acted as a resource person and organized the workshop.

Dr. K.G.B. Santhosh Kumari, through videos and handouts, explained to juveniles how they, as individuals, are an integral part of society and how they can become respectable citizens of the nation through their service and positive contribution. She counseled the students toward teaching moral values in their lives. She gave several examples and anecdotes from scriptures, history, and contemporary society through the audio-visual method. She has conducted various team activities through which she has motivated them towards positive thinking and set goals. By the end of the session, almost all the children had identified their goal and assured the resource person that they would struggle hard to achieve that goal. Around 80 juveniles actively participated in this interactive workshop and expressed their happiness. Ten students of VIIT volunteered at the event.

## CIRCULAR

On Matrubhasha Diwas, the department of BS&H is planning to celebrate the event. The program entitled "Role of Mother Language for Better Understanding of Academics at the primary level." conducts various events like essay writing and debate on 20.02.2021. The surrounding School children are also invited to participate in the event. The program enriches the importance of the Mother language, particularly to the current students.

21st February of every year being recognised by UNESCO is International Mother Language Day to promote the dissemination of mother tongues and a fuller awareness of linguistic and cultural traditions throughout the world and to inspire solidarity based on understanding, tolerance and dialogue. In this regard, the department of BS&H has conducted an awareness program on the promotion of learning mother language through a set of contests like essay writing and elocution on the topic "Role of Mother Language for Better Understanding of Academics at primary level". The event was chaired by Dr B Arundhathi and Vice Principal Dr K Madhusubhana Rao. The event was conducted by Dr K Sirisha and Dr K Mrudula Devi, Faculty of BS&H with the support of other staff of BS&H. About 100 students have participated and made the event a grade success. As 21<sup>st</sup> February was Sunday, the event was conducted on the previous day i.e 20<sup>th</sup> February, 2021. The event was concluded with the prize distribution to the winners and vote of thanks by the student volunteers.

**HANS NEWS SERVICE**  
**VISAKHAPATNAM**

VIGNAN'S Institute of Information Technology (Autonomous) conducted International Matru Bhasha Diwas on Monday.

Marking the Day, the institution conducted elocution competition for students. About 50 students participated in the competition and spoke about the importance of mother tongue. Students explained that Telugu script is the second most beautiful script in the world and it is spoken by more people in India after Hindi.

Rector of the institution V Madhusudhan Rao, Principal B Arundathi, Vice Principal K Madhusudhana Rao distributed prizes to the winners.

Samantra from IT, Sri Bindhu from AI and Gnaneswari from ECE bagged the first, second and third prizes respectively. HoD T Satya, coordinator K Sirisha, Yogesh, Madhuri and others participated in the event.

**A Session on "How to improve communication skills" at ZP school, Kanithi**  
**On 21<sup>st</sup> February, 2021**

**Organized by the Department of BS&H along with NSS Students of VIIT**

Communication plays a vital part to express oneself. The theme of the activity is to motivate the students of higher class students in ZPH School, Kanithi on various concepts related to communicate effectively. The session was headed by Dr K G B Santhosh Kumari, Associate Professor in the Department of BS&H. the objectives of this includes: To enhance the effective communication skills of the learner and to inculcate the art of leadership, goal setting, creativity in the minds of budding engineers.

The session was well planned to make the student indulge themselves into learning without getting themselves bored. The session was so interactive and fruitful. This was made evident as we got about 20-30 students who spoke without stage fear at the end of the session. The HM and the staff of the school has been so support for the successful completion of the session. The session was supported by about 100 NSS students.
