## POLICY ON DIVYANGJAN FACILITIES

A well-defined policy is in place at VIGNAN'S INSTITUTE OF INFORMATION TECHNOLOGY (VIIT) to take care of DIVANGJAN candidates. The objective of this policy is to provide barrier-free environment to those personnel who are physically challenged and ensure easy access to all the facilities and amenities in campus such as Classrooms, Laboratories, Research Centers, and Centre of excellence, workshop, seminar halls, etc.

This has been the practice ever since the establishment of setting of VIIT.

As far as possible, VIIT ensures facilities to such personnel are provided in the ground floor of respective building itself such as Ramp, Wheel chair, lift etc. and all the facilities are easily accessible.

Every effort has been taken to ensure that the amenities such as rest room, recreations rooms are disabled friendly for Divyangjan.
